Info about getting an instrument:

-Find good quality used instruments. New is not recommended as they cost too much. Cheaper new instruments (\$100-\$300) are poor quality and break down in a few years. Used-if cared for-last a LONG time!

-Sources of used instruments: Friends, relatives, Facebook, Craigslist. Rent from Meridian Winds or HVCS. Questions? Email Mary Cupery [mcupery@hvcatholicschool.org](mailto:mcupery@hvcatholicschool.org)
